This week we turn to the ***Follow Jesus - Welcome All!*** unit expressing acts of welcome and hospitality as offerings of gratitude and faith in action before moving into the Advent season during which our young disciples will use their talents to provide a dramatic telling of the Nativity Story as part of a worship service during the Season of Advent.

Please join our Sunday School teacher, Miss Alexis Reno, this week at 10:30 am as we examine our faith and how to put it into action in our community!

Wednesday Morning Bible Study

The Wednesday Morning Bible Study Group meets each Wednesday at 11 am.

BEGINNING OCTOBER 21ST!

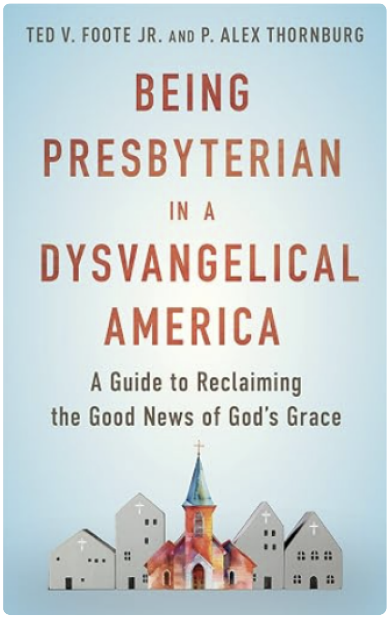

October 21 through November 11 Pastor Carol will take us through ***"Christmas in the Four Gospel Homes"*** by Dr. Cynthia M. Campbell.

How might a house look for Christmas based on what each Gospel says about it? In *Christmas in the Four Gospel Homes,* beautiful illustrations from architect Kevin Burns reimagine each of the four Gospels as a house, which the church visits at Christmas. In each section, Cynthia M.

Campbell reflects on the distinctive perspective of the birth of Jesus or the incarnation offered by each Gospel. Suitable for individual or group study, *Christmas in the Four Gospel Homes* creatively reimagines the season and inspires new and exciting reflection for Advent.
This book is available from Pastor Carol for $10 or you may go to amazon.com to order!

For Wednesday Evening People...

Last Week for this Book Study!

5:30-6:30 pm Each Wednesday Evening
FPC Library
Snacks provided! Bring Your Own Beverages!

"In *Being Presbyterian in a Dysvangelical America*, Ted V. Foote Jr. and P. Alex Thornburg speak directly to Presbyterians who are disillusioned and confused by how Christianity is being misused in American culture. So often, our beliefs as faithful Christians do not line up with the shouted chants and disturbing actions taken by those claiming to represent a true vision of Christianity. Twenty-five years after their best-selling book *Being Presbyterian in the Bible Belt*, the authors return with fresh urgency to affirm the heart of Reformed theology and what it means to be truly evangelical in a time of theological and cultural distortion. With clarity, compassion, and a touch of humor, *Being Presbyterian in a Dysvangelical America* equips readers to name what feels wrong, rediscover what is right, and live into a gospel that is still good news for all."

November is a Month of Gratitude!

November is a month of gratitude—a time to give thanks for God's blessings and share them through acts of faith both in our church and in the community. At First Presbyterian Church, your time and talents help us live out our mission as a Matthew 25 Church and an Earth Care Congregation.

When you help with Baby Grace, serve at Open Table, donate to the Blessing Box and participate in food drives for SERVE you express your gratitude to God. Whether you volunteer to shovel snow when winter calls or water plants in the heat of summer - all are acts of service and gratitude for the gifts God gives us. Likewise, when you answer the call to support worship as an acolyte, communion server, usher, liturgist, or sound board operator, you are sharing your gifts with others as a tribute to God. When you answer calls to help with seasonal events and when you make that extra trip across the Sanctuary to welcome a newcomer, you are living out your faith. Every kind act makes a difference.

This November, choose a way to turn your gratitude into sharing your time, talents, and treasure. Together, we share God's love with our neighbors.

Next Baby Grace Open House: Friday, 11/20 from 2-4 pm!

Baby Grace Has Put the Presbyterian Women's THANK Grant to Good Use!

A Report on Baby Grace THANK Grant From Mary Osburn!

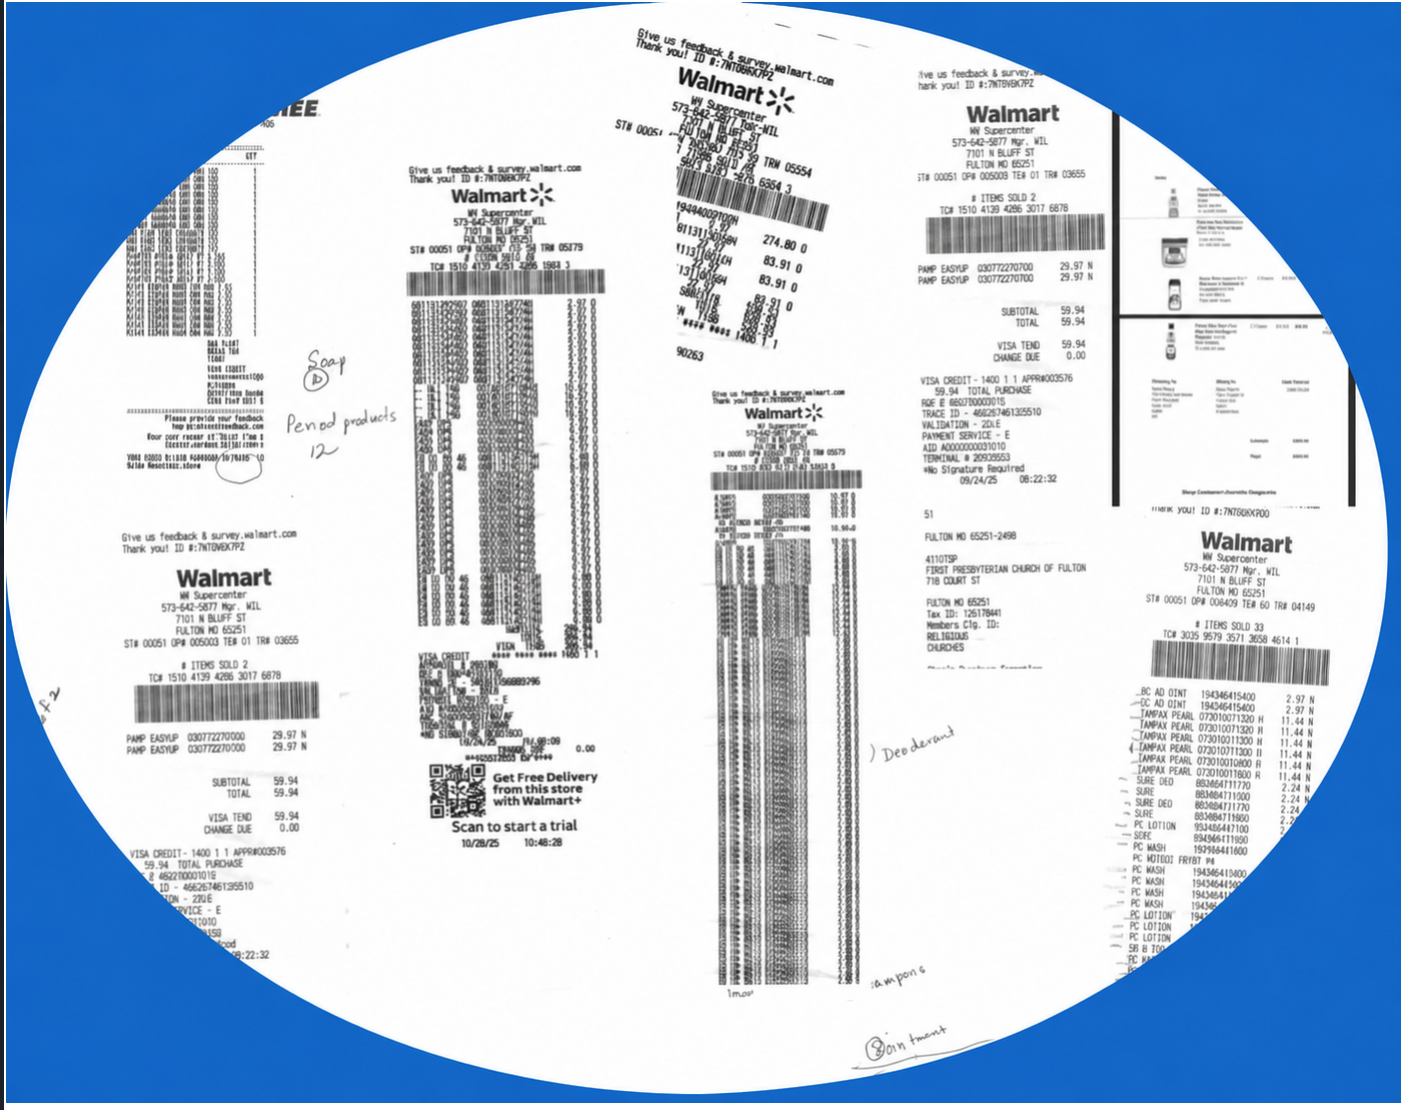

"When we received the money from the Presbyterian Women THANK Grant, we purchased the things we needed that month. I would buy almost everything on the shelf (a small town problem) until I met with a Walmart Manager and she helped me order supplies that would fully stock us up for a while. Another problem we encountered was knowing what we needed month to month.

Some months there is a large demand for newborn diapers, other months it is sizes 4, 5, or 6. What is constant is the need for wipes. We have spent $3,502.82 to date and have a much better idea of what will be needed in the future."

On the graphic showing receipts from purchases you can see that types of items we are purchasing for Baby Grace. Diapers and period products are repackaged so that they are stretched further to serve the most people. The counts on the receipts do not reflect the number of packages given out. We are going to reorganize our storage space and take inventory so that we may come up with a better way to report to you and others regarding the supplies we use and buy. We hope you enjoy this video originally made for Bessemer Presbyterian Church in Pennsylvania to help with their Thank Giving campaign."

FILLING THE LITTLE RED WAGON ....

CANNED FOOD IS NEEDED AT THE SERVE FOOD PANTRY!

FPC has learned that there is a high need for canned foods at this time. Here are a few suggestions for giving.

High-Protein Canned Goods

- **Canned meats:** Tuna, salmon, and chicken provide essential nutrients and are often the most requested yet least donated items.
- **Canned beans:** Black, pinto, kidney, and garbanzo beans (chickpeas) offer great fiber and protein.
- **Canned meals:** Hearty stews, chili with meat or beans, and chef's stews make quick and filling meals.

Canned Fruits and Vegetables

- **Canned vegetables:** Choose low-sodium or no-salt-added options like corn, green beans, carrots, and peas.
- **Canned fruits:** Select fruits packed in 100% juice or water rather than heavy syrup.
- **Tomato products:** Diced tomatoes, crushed tomatoes, and tomato sauce help families build base meals.

Soups and Sauces

- **Canned soups:** Pick vegetable, chicken noodle, or bean soups with lower sodium levels.
- **Pasta sauces:** Marinara or meat-flavored sauces pair nicely with donated pasta boxes

Special Note: *When selecting items for donation, look for pull-tabs. Pop-top cans help people who may not own a can opener or have limited kitchen access. You can also create meal kits by pairing items together, such as canned chicken with rice or pasta with tomato sauce. Please don't forget to check expiration dates to ensure items are well-shelf-stable and have not passed their printed sell-by dates.*

LET'S FILL THE WAGON EACH WEEK!

Thank You From Open Table!

Dear Members of the First Presbyterian Church,
On behalf of the Board of Directors of Open Table, I want to thank you for the wonderful collection of paper products that you gave us as a result of the paper goods drive held in October! Last month in September we served a total of 960 plates of food! As you can see, we use a lot of paper items in our everyday service at the Community Center. This can get quite expensive, so your gift is very much appreciated. We are so blessed by your support!
Sincerely,
Shirley Dixon
Secretary, Open Table

Scripture makes it clear we are to care for the earth on behalf of God:

"The Lord God put the man in the garden of Eden to till it and keep it." - Genesis 2:15

Earth Care Congregations make a four-part response to the Call to Restore the Creation:

◦Our worship and discipleship will celebrate God's grace and glory in creation

◦Our education will encourage and support each other in keeping and healing the creation

◦Our facilities will be managed, maintained, and upgraded to respect and cherish all creation
